## Superannuation calculator

This calculator helps you work out:

- · how much super you'll have when you retire
- how fees affect your final payout

For detailed information see  $\underline{\text{disclaimers \& assumptions}}$  below.

Estimated time: 5 mins

Age: (min: 18, max: 75)   Income: (\$ p.a. before tax and super)   Desired retirement age: (min: 60, max: 75)   50	Solution (%) Significant (%) Significant (%) Do you make additional contributions?
